line of millinery to be found outside
the large cities. All new goods,

old stock.

Miss Lear Wins Trip.

In the Courier Journal's tour of
Europe contest, just closed, the Gar-
rard county entry, Miss Mary Lear,
of Paint Lick, won one of the honors
and will make the trip. While she
was not first in the race, yet she won
the laurel by hard work and hustling.
She received 333,021 votes, there being
999,191 cast in the district. She is
a lovely young lady and worthy of
the splendid support given her.

Married in Cincinnati.

Miss Olivia Sweeney was married in
Cincinnati Tuesday, at the home of her
cousin, Mrs Browning, to Mr Howard A.
Honing, of that city, but formerly of
Lexington. They left immediately for
a trip to Niagara Falls. The bride is
the sister of Mr J W Sweeney, of this
city, and is a young lady beloved by a
wide circle of friends. Mr Honing is
a draftsman of much ability and holds a
good position with a Cincinnati firm.

Ready for Business.

Messrs West & Herndon have received
a large stock of pianos, organs, sheet
music, etc., and are ready for business
at their new store, on Danville street.
They will have a formal opening next
Saturday afternoon, and invite the public,
especially the ladies to call and enjoy
the music and inspect the stock.
As stated in a former issue of The
Record, these are deserving young
men, and merit the undivided support
of our people.

Competitive Examinations.

The competitive examination for
scholarship in A & M College of Ken-
tucky will be held at the home of Miss
Mittie Dunn, county superintendent,
on July 13 and 14. The law governing
these scholarships is as follows: Each
legislative district in the State shall,
in consideration of the incomes accu-
mulating to the college under "An Act for
the benefit of the Agricultural and
Mechanical College of Kentucky,"
approved April 29, 1880, be entitled to
select and to send to said College each
year one properly prepared student,
free from all charges of tuition, mat-
riculation fees, room rent, fuel and
lights, and to have all the advantages
and privileges of the college and dormi-
tories free, except board. Said
students shall be entitled, free of any
cost whatever to the benefits enumerated
above, for the term of years necessary
to complete the course of study in which he or she matriculates
for graduation or during good behavior.
All beneficiaries of the State who
continue students for one consecutive
collegiate year, or ten months, unless
unavoidably prevented, shall also be
entitled to their necessary travelling ex-
penses in going to and returning from
said college. (Said competitive ex-
aminations shall be open to all persons
between the ages of fourteen and
twenty four years.)

Union Services.

Union Services, as has been our cus-
tom, will be held during the months
of July and August. First services
will be held in the Methodist church,
Bro Nelson will preach the sermon
and during the month of July the
pastor will conduct the meeting in his
own church, all the pastors and people
joining the services.

Meeting a New Antioch.

Eld F M Tinder has been conduct-
ing a very successful revival meeting
at New Antioch, holding services
every night for the past two weeks.
There have been quite a number of
additions to the membership.

Negro Women Break Rock.

The sight of half dozen negro women
on the rock pile is something out of
the ordinary, but all right-thinking
citizens say it is the thing to do. There
are also about eight negro men, and
they give the old hotel lot a lively appearance.
They are serving time for selling cocaine, whisky
and vagrancy.

Work On New Bank.

Work on the Garrard Bank & Trust
Co's, building was commenced Mon-
day, and will be pushed to rapid com-
pletion. The plans are quite pretty
and the building will be an ornament
to the Public Square. We presume
the hotel lot will remain vacant for
some time to come, as there are no
prospects of getting the building re-
placed.

Death of Noble Gentleman.

Hon. Richard W Miller, of Rich-
mond, was stricken by paralysis Fri-
day and died that night, at his apart-
ments in the Glyndon Hotel, in that
city. News of the sad occurrence
cast a gloom over many friends in
this city, and we have never heard so
many expressions of regret over the
death of anyone. He was well known
in Lancaster, and his acquaintances
loved him for his many sterling worths
as a Christian gentleman and noble
citizen. Mr Miller was one of the
most prominent of Kentucky's demo-
cratic leaders, and his valiant service
for his party was greatly appreciated.
He was a candidate for the democratic
nomination for congress in this dis-
trict, and was making a vigorous cam-
paign. To know "Dick" Miller was
to love him, and we doubt if any man
in Kentucky was ever more highly
thought of and admired. Being an
old newspaper man, he was beloved by
the craft all over the state, and a
meeting of the Kentucky Press Asso-
ciation without the presence of Dick
Miller will cause a gloom which
can not easily be pictured in words.
The writer of this loved him as a
brother, and we find great consolation
in the undisputed promise that men
who live as did Dick Miller are now
where there is no sorrow nor pain,
but all is love, happiness and content-
ment.
